Chair
Smeena Khan – Secretary
Mehmood Kazmi – Treasurer

Board Members:

Saberina Munawar
Faraz Ahmed
Pervin Divleli
Afeefa Syeed

Board contact info:

schoolboard@alfatih.org

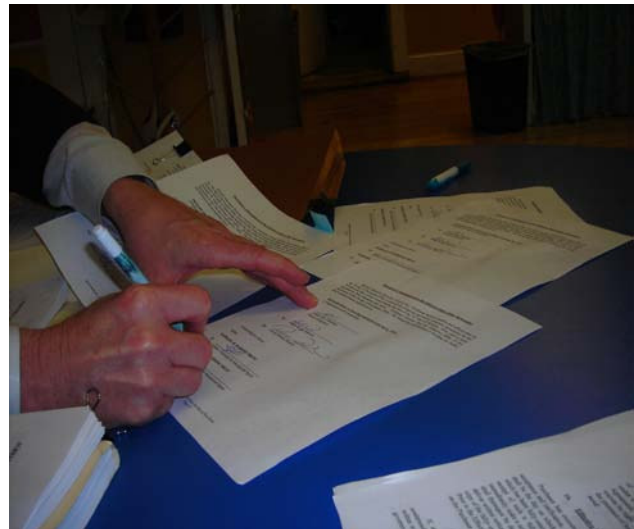

The Al Fatih Board of Directors is responsible for overseeing the general direction of the school, reviewing and approving the school's budget, overseeing the school administration, and approving the general policies of the school.

The Board consists of between 7 and 11 members who serve on a volunteer basis for designated terms. Board vacancies are filled upon nomination of an individual by any interested person -- including community members, teachers, and Directors -- and selection of such person by majority vote of the current Directors.

Al Fatih Academy is a non-profit educational organization operating under Muslim Education Resource Council, Inc. MERCI.

Signing the purchase agreement!

From Al Fatih Academy Board of Directors:

As'salaamu Alaikum & Eid Mubarak!

On behalf of the Al Fatih Academy School Board, we would like to wish a safe voyage to all of the brothers and sisters that are making Hajj this season. Some of the Hujjaz this year are teachers at Al Fatih Academy, parents and grandparents of our students, and community friends. We pray that their Hajj is accepted, and we will wait joyfully to welcome them home, inshAllah.

In this past month, the school board has been working closely with our architectural team and legal team of advisors on the project to purchase Harding Hall. Through many meetings and conference calls we are beginning to document the plans for this project. We are initiating the zoning approval process and the design of our school building's footprint. It is very exciting to sketch the future of Al Fatih Academy so that it fits the needs of our students, our teachers, and our programs.

As we plan the scope of this project, it becomes more evident that our fundraising plan will drive our ability to develop the school building and facilities. With donations, pledges, and fundraising activities, we hope to make a strong down payment on the purchase price of this property. Please consider Al Fatih Academy as you make your year-end donations. You can look forward to March 2007 for our annual fundraising dinner.

We would like to wish everyone at Al Fatih Academy a blessed Eid ul Adha. We hope that the students and the teachers enjoy their restful Winter Break. We hope that our school families appreciate the added Quality Time in your homes. And we look forward to celebrating this Eid with all of you in the New Year! Eid Mubarak!

**We look forward to gathering together for a
Spring Town Hall meeting in April 2007.**

Wasalam.

Al Fatih Academy Board of Directors
