

Dollars for Ducks!

Help us raise money for an Indonesian duck farm.

Ducks provide eggs, meat, and fertilizer for a boarding school that has taken in many tsunami survivors. The school is located 4 hours from Banda Aceh.

Students will be responsible for the duck farm and will be supervised by indigenous farmers who will teach the students farming skills as well.

Money will also go to building a shelter and housing for the Thai-bred ducks.

**Bring in your dollars,
and we'll send them in
for Ducks!**

AFA's goal is to raise \$500.

Please send donations to Al Fatih Academy.
Make checks payable to:
