Violations to the AFA Uniform Policy

- AFA parents bear the full responsibility of ensuring that their children are in proper uniform attire during the school day. Students who are not in the approved uniform attire will not be permitted to attend class and will be sent home unless parents bring the proper uniform garments to school.
- During the month of September, a family may receive up to two written warning notices that their child is not in the approved uniform. These warning notices will not require that the child be removed from the classroom, to allow the family additional time to purchase the approved uniform items. The warning period ends on September 30th.
- Al Fatih Academy Administration will provide the final determination if the student's attire is in full compliance with the AFA Uniform policy. Repeated violations to the AFA Uniform policy may result in additional consequences imposed on both the parents and the student, to be determined by the school administration.

AFA Field Trips

AFA students take regular field trips off-site during and occasionally outside of school hours. Teachers will announce the approved Field Trip attire on the permission slips when planning class-wide Field Trips. Field trip attire may be different than the standard AFA School Uniform.

AFA Days

Students in Preschool – Grade 8 are invited to participate in monthly AFA Days. These are school-approved days to dress out of their AFA School Uniform. Students must continue to wear loose fitting, modest, Islamically appropriate clothing on AFA Days. Students who do not adhere to the dress code expectations of AFA Days will not be permitted to dress out of uniform on subsequent AFA Days.

Authorized Exceptions to the Uniform Policy

AFA parents may request, in writing, an exception to the AFA Uniform Policy. Requests will be considered for medical reasons when documented by a physician. Requests will also be considered when the uniform vendors do not produce the required uniform item in the child's proper size. In all cases, the family will be required to suggest a reasonable alternative that maintains the school's approved colors, styles, and general guidelines. Approved exceptions will be provided on an individual student basis for one academic year.

Pre-School/Pre-Kindergarten School Clothing Guidelines

All students in the Early Childhood program are required to wear shirts, pants, skirts, or jumpers that facilitate active play and learning. Students should wear athletic shoes or dress shoes during school. All other general uniform and accessory policies are also extended to the students in Early Childhood classrooms, except with regards to the required uniform garments. Below are a few guidelines in choosing appropriate attire, plus a few items to avoid:

- Comfortable play clothes should have manageable belts, snaps, zippers, and buttons to prevent undue stress for your child and/or teacher during restroom time. If your child cannot manage the garment during restroom time, it is inappropriate for school wear.
- Skirts and shorts should be a modest length when standing and sitting. Mini-skirts, bare midriffs, spaghetti straps, and see-through shirts are unacceptable for school attire.
- Please avoid clothing with lettering/messages or media images.
